Invitation "IopT Learning Days with Vivian Broughton"

When: Thursday September 17 and Friday, September 18, 2026

Location: Utrecht. Landhuis in de Stad ,Park Oog in Al 1

Dear friends,

In a joint initiative by Gwen Timmer (www.praktijkparabel.nl) and Valeria Lamers and Aart Harder (www.lamersenharder.nl), we have asked Vivian Broughton to come and work with us for a day every now and then. We believe it is meaningful for you, as an IopT practitioner, to be able to experience multiple IopT facilitators during your learning process. Vivian has been our teacher and we are still learning from her.

Over the past two years, we have found these days with Vivian to be very enriching and meaningful.

On September 17 and 18, 2026, we are once again organizing two days with Vivian in Utrecht.

For whom: This day is intended for anyone who already has experience with IopT processes and wishes to delve deeper into this work.

Method: Vivian will work with three, perhaps four, intention setters each day. Afterwards, we will take the time to discuss our questions, observations, and experiences with Vivian.

Intention setters will be drawn by lottery on the day itself.

The working language is English
